SPECIFIC SIMPLIFIED PROCEDURE COMPLEMENT OMD

The simplified procedure, required by the Federal Act on the administrative fines imposed to road users of 24.06.1970, as amended, imposed for minor offences, **does not include the opportunity for the offender to forward your comments.**

The offender who disagrees with the payment of the fine and wants to submit observations, must await the end of the period of payment of 30 days indicated on the contravention (Bill), **then the ordinary procedure will be initiated provided by law for misdemeanors**; at this stage he will have time 15 days to submit their observations to the road traffic Office.

If delivered the complaint prior to the opening of the regular procedure, the same shall be deposited to our service.

Only when the ticket is canceled by the agent/Assistant/auxiliary complainant, the offender will receive a written notice from us.

If will not intervene the payment under the simplified procedure we will send comments to the legal Office of the road traffic Office of Camorino, ordinary procedures authority.

If the Office mentioned reserves his observations such as to abandon the procedure, **will result in an increase of the amount of the fine, since administrative expenses and fee will be added to justice.**
